

Value

The scholarship is valued at \$10,000 annually and is bond-free.

Who Qualifies?

The applicant must be an incoming or current full-time undergraduate student of NUS in the Academic Year 2025/2026.

Tenable annually, the scholarships are awarded on the basis of students' outstanding academic and non-academic performance, and fulfilment of the University's prevailing guidelines for scholarship award.

Where non-academic performance is concerned, students are assessed on the basis of their interests and ability to contribute to residential college life and to the programme, and their demonstration of leadership qualities and potential. Co-curricular records and other capabilities will also contribute towards the overall assessment.

Conditions

There are no independent interview sessions for RC scholarships. Students will be considered for award of the scholarship during the interviews conducted for admissions into the residential college.

Successful recipients are required to:

1. Submit a letter of appreciation to the donor;
2. Attend university events, donor organised events and meetings with the donors (if required);
3. Pay forward by donating towards the scholarship of another student, after graduation (if required by the donor)

Disbursement of Funds

The scholarship funds will be disbursed over two semesters, in August 2025 for Semester One and in February 2026 for Semester Two. The latter is subject to the student's confirmation of stay in Semester Two.

The funds will be used to offset against the student's tuition fees, accommodation fees, miscellaneous fees, etc. The balance funds will be credited into the student's bank account. Students are therefore reminded to update their bank details in myEduRec under the "Manage Bank accounts" tab
