- Sheltered PUDOs
- Internal Shuttle Bus (ISB)
- Unsheltered Route
- Road Access
- Food & Beverage
- Accessible Toilets
- Key Required
- PitStop @ COM 1

**How to use**

If you can draw a line between two points **without crossing over a solid white line**, you can go between two points via a barrier-free route. **Dotted white lines are unsheltered.**

Yellow solid lines are **key connections** that connect between different buildings.
